**FRACKING...**

Join us for an eye-opening presentation by Jessica Ernst at  
**Baddeck** Volunteer Fire Department Community Centre  
Thursday **July 5**, 2012 at 7:00 PM Free Admission

Jessica Ernst knows the effects of fracking first hand. She launched lawsuits against her former employer Encana for negligence causing water contamination and Alberta's Energy Resource Conservation Board for breaching the Charter of Rights when water near her home was polluted after Encana started fracking in her community.
